Democratic Mass Meeting.

Pursuant to call of Chairman J. H. Thompson, the mass meeting of the Democracy of Bourbon County was held at the Court House in Paris, Kentucky, at 2 o'clock, p. m., January 1, 1906. Chairman Thompson stated the object of the meeting, to-wit: To give expression of the sentiments of Bourbon County's Democracy regarding the election of United States Senator. On motion J. H. Thompson was elected Chairman and R. K. McCarney Secretary of the meeting. Hon. James Winn, of Clark county, in an eloquent address, explained the position of the Hon. C. B. Ecton in the matter for his choice for United States Senator; satisfying the meeting that Mr. Ecton had been misled by false statements, and was now in full accord with the Democracy of this district. Upon motion, the Chairman appointed the following Committee on Resolutions: Denis Dundon, E. M. Dickson, James O'Brien, A. S. Thompson, R. K. McCarney, James B. Rogers, Ed. Rice, Geo. W. Morrow, W. F. Heathman, B. F. Buckley, Joseph Leach, J. P. Sullivan, John Current, J. W. Oliver, Wm. Layson, W. D. McIntyre and E. P. Thomason.

Hon. E. M. Dickson, for the Committee of Resolutions, offered the following:

BE IT RESOLVED, FIRST:—That we, the Democracy of Bourbon county, in convention assembled, do most heartily endorse and approve the record of Hon. J. C. S. Blackburn as a Senator of the United States from Kentucky, and his fidelity to the highest and best interests of the people of this State and the nation, and his unflinching loyalty to the great principles of our party.

BE IT RESOLVED, SECOND:—That we do most earnestly approve and commend the action of our Representative in the Lower House of the Kentucky General Assembly, Hon. J. Hal Woodford, and our Senator, Hon. C. B. Ecton, in supporting Senator Blackburn for renomination, as in so doing they represent the unqualified wishes of the Democracy of this county, and we now call upon them to use all honorable means in their power to secure his renomination and election to this high office.

Upon motion, the above resolutions

were unanimously adopted. Upon motion of Hon. A. S. Thompson it was resolved that a copy of these resolutions be furnished the press, and a copy each be delivered to Hon. Chas. B. Ecton and Hon. J. Hal Woodford.

Thereafter, Mr. Hugh Montgomery arose and stated that he did not think the resolutions just adopted went far enough. He held that while he endorsed all that they said, and voted for them, he believed that he voiced the sentiments of nine-tenths of the Democrats of this county when he said that he not only approved the course of Hon. J. C. S. Blackburn, but he condemned the tactics of the political buccaneers who had at Frankfort, taken control of the party. Thereupon, he offered the following resolutions and moved their adoption, which was done unanimously:

RESOLVED, FIRST:—that the Democrats of Bourbon County not only unreservedly endorse Hon. J. C. S. Blackburn for re-election to the Senate of the United States, but, further, be it

RESOLVED, that we condemn the clique at Frankfort headed by Beckham, tricked to by Hager, and ministered to by Percy Haley.

RESOLVED, that Beckham Democracy is tainted with questionable barter and trades, and disfigured by narrow partisanship that is a reproach to our proud Commonwealth.

RESOLVED, that we condemn the manner in which offices of appointment are doled out in exchange for endorsement of the administration and votes by Committeemen that perpetuate the administration's power.

RESOLVED, that the machine at Frankfort does not truly reflect nor represent Kentucky Democracy, nor does the present Governor and his unbelieve know any Democracy who does not tend to the promotion of selfish designs.

alt. Hotel Property Transferred.

The Windsor Hotel property was transferred to the new owners, Judge Parke, Judge Morton and George C. Webb, of Lexington, Saturday. Landed C. J. McLearn will continue to manage the hotel until the first of May, 1907, when his lease will expire. Any new improvements will be made to the property during the coming year.

A Handsome Present.

When Judge H. C. Smith called the Fiscal Court to order Saturday afternoon, one of the magistrates stated that Attorney Neville C. Fisher had something to say before the business of the Court was proceeded with. Mr. Fisher then stepped inside of the railing and in a very appropriate speech, paying high tribute to Judge Smith as a man and as an honored County official for many years, presented the surprised Judge with a beautiful silver Sheffield tray, holding an exquisite cut glass pitcher and six goblets, stating that it was but a token of the high esteem in which he was held by the officials and employees of the Court House.

Judge Smith replied to Mr. Fisher in a very touching and beautiful little speech, assuring the members of the Court, officials and employees, that it would until the end of time be the most cherished ornament in his household. It was a very handsome present, and was furnished by A. J. Winters & Co.

Will Entertain Court Officials.

The Richard Howes Chapter, U. D. C., will entertain the retiring and new members of the Fiscal Court at dinner on Saturday, Jan. 6th, at the Court House. The Confederate Veterans are invited to meet with them.

Judge Dundon's First Order.

Judge Denis Dundon was kept busy yesterday in shaking hands with hundreds of his friends who called to congratulate him on entering upon his duties of County Judge of Bourbon County. By the smile upon his face, as he sat at his desk behind a bunch of pink carnations, one would never imagine that he had so recently been dehorned by the outgoing Fiscal Court.

His first official order entered was to carry out a promise to the people of Centreville precinct by changing the No. 1 voting place of that precinct back to Centreville, the outgoing Court having moved it to near Jacksonville some months ago.
